Sub: Science and Engineering Fair - 2011

Sir,

Birla Industrial & Technological Museum (BITM) functioning under National Council of Science Museums, Ministry of Culture, Govt. of India organizes Science & Engineering Fair every year for the students studying in the Engineering colleges, Science Colleges and Universities to encourage them to come up with their self designed and prepared projects with innovative ideas in different branches of Science and Engineering.

This year the 10th Science & Engineering Fair will be organized from **11th to 15th January, 2011** at BITM. The students from different Engineering colleges, Science Colleges and Universities will participate in this fair. The students of any Engineering College, Science College and University individually or in a team maximum of three would be eligible to compete with their projects. Total number of projects from any Engineering College, Science College and University both individual and / or team, would be restricted to three.

Prize winners of the above fair will get chance to participate in the Innovation Hub at INFOCOM-2011 which will be held at Salt Lake Stadium from 17th to 20th February, 2011.

Your early action in this matter is earnestly solicited.

Thanking you,

Yours faithfully,

(R. Banerjee)
Education Officer
