

25th-28th February

## Call for Demo Projects

### TRYST Technical Symposium

The Indian Institute of Technology (IIT) Delhi would like to invite you to be a part of Tryst 2011-The Technical Festival of the Institute being held from the 25<sup>th</sup>-28<sup>th</sup> February, 2011. The primary purpose of this technical festival is to promote, showcase and reward the technological developments taking place in this rapidly changing world, and inspire young minds to think, discover and create. The goal of the demonstrations is to give participants from academia an opportunity to present their latest developments on the following subject areas. In addition, we strongly encourage students to submit valuable demos resulting from their projects or thesis work.

1. Biotechnical & Biochemical Engineering
2. Electrical Engineering
3. Engineering Physics
4. Chemical Engineering
5. Civil Engineering
6. Computer Science & Engineering
7. Mathematics & Computing
8. Mechanical Engineering
9. Production Engineering
10. Robotics
11. Textile Engineering

A proposal to present a demo should contain the following information:

1. Demo Title
2. Extended Abstract (250 words) detailing (a) the technical subject, (b) its importance, (c) its relevance and benefits and (d) demo objectives
3. Detailed outline of the demo including sections and subsections as well as bibliography (as applicable)
4. Movie / Demo Plan: The proposal must also contain an attached demo movie or a URL link (preferably youtube) to the demo movie of a maximum length of 10 minutes. The movie must clearly show how the demo will be performed.
